Mr. F. M. Dure,
55 Grenville Street,
Toronto.

Dear Mr. Dure:

Many thanks for your kind invitation on behalf of the Graduating Class in Medicine to be present at your dinner in the Prince George Hotel on February 13th. It would give me great pleasure to be with you, indeed I think I have always been at the graduating dinners in Medicine, but unfortunately the statutory meeting of the Senate comes on that night and I must preside at it. This will make it impossible for me to be with you. I regret this the more because I have so few opportunities of meeting the medical students. Will you kindly make this announcement at the dinner? I hope that you will have a very successful gathering.

Yours sincerely,

President.
